Happy Valentine's Day

February 2011

Big Welcome to our New Auxiliary President Gail Carucci, and a Message From Her.....

Happy New Year! I know that we are already into the second month of the New Year, but I want to wish all of you a very Happy 2011 New Year filled with special memories and happy days!

I am happy to be serving as your new President. I am thankful for all of the work that has been done in the past by our Past President, Don Cossett, our Director of Volunteer Services, Crystal Hickman, the Auxiliary Board and of course all of you!

A little bit about me. I am originally from Ellicottville, NY a little resort town south of Buffalo. Ron and I decided we wanted to escape the snow and cold weather that seems to linger in Western New York and relocated here two years ago. I am the mother of two wonderful boys, Andrew and Matthew, both college students at Fredonia State University. I have over 12 years experience as an entrepreneur, as I co-owned three small businesses and over 15 years as an Event Coordinator. I worked for St. Bonaventure University as an event planner in the alumni office and for the March of Dimes as a Community Director. Currently I am the Project Manager for the Jefferson Street Cemetery Restoration and Preservation project and I am a demonstrator for Stampin Up.

We have some exciting times ahead of us this year and I am very much looking forward to getting to know each and every one of you.

Should you have any ideas, suggestions or comments, please feel free to call me at 919-498-1157 or email me at gcarucci@aol.com.

Thank you for your continued support!

Gail Carucci

Cups of Gratitude

Cup of Valentine Candy \$1.00

The annual Auxiliary Sponsored fundraiser Cups of Gratitude is under way!

Cups of Valentine Candy can be purchased or pre-ordered in appreciation of your co-workers, boss, family, and friends from This-N-That Gift shop.

If ordered for staff of Central Carolina Hospital you have the option of delivery to that person's department on Valentine's Day!

Make checks payable to CCH Auxiliary. They will be available for purchase until February 14th.

Have You Had Your Annual TB TEST and Flu Shot?

It is a requirement that all volunteers have a TB Test and have the Flu shot annually. If you decline the flu shot you must sign a declination and wear a mask while volunteering. For an appointment call the Employee Health Nurse Office at 919-708-4663.

SPECIAL NOTIFICATION

Please do not badge individuals in to the Outpatient Surgery Area.

There is a visitor minimum of 1 person per patient in that area because that area is so small and busy.

If you see someone standing outside the Outpatient Surgery doors, please call into Outpatient Surgery to notify them at ext. 2366 that someone is waiting at their door.

Thanks so much for your attention to this matter.

February is the Month to Pay Dues

Many do not know the difference between being a member of the CCH Auxiliary and being a CCH volunteer or that there even is a difference. Just a few notes to clarify:

- To be a member of the CCH Auxiliary the CCH Auxiliary by-laws state that a \$5 membership due must be paid a year.
- February is now the elected month for membership in which we will be collecting the \$5 dollar dues.
- You do not have to be a member of the Auxiliary to be a volunteer.
- You do not have to be a volunteer to be a member of the Auxiliary.
- Being a volunteer does not automatically make you an Auxiliary Member.
- Being a member of the Auxiliary allows you a vote in Auxiliary matters. It also allows for leadership opportunities by becoming an Aux. Board Member.

If you have in questions regarding this please let me know.

Please mark your calendars! This year we are asking that volunteers be available at each vendor event to assist with vendor needs and to set up a table with Auxiliary information to let people know what their contributions will be helping. If you are interested in assisting with any of these events, please let Crystal Hickman, DVS know 919-774-2187.

Did you know that CCH Volunteers put in 22,000 hours in 2010!

Did you know that we made \$8,289.65 in Vendor Shows in 2010!

Did you know that Lights of Love brought in \$1,366.00 in 2010!

Thanks SO Much for all you did in 2010!
