

CCH Auxiliary Get Away Garden Waterfall Patio

Every day hospital volunteers see patients, families, visitors, and staff at the hospital that could use a short break or get-away time from the hospital environment just to relax and revitalize. As a result, the Auxiliary built a Get-Away Garden with gazebo and waterfall fountain providing an ideal place for an outside break.

The gazebo was erected in May of 2006; our goal is for more outdoor equipment, refreshing landscaping, engraved bricks for the waterfall fountain patio and gazebo path to complete the setting.

Become a "Waterfall Patio Sponsor".

Purchase an engraved brick for \$50. Your personalized engraved brick will be placed in the Get - Away Garden Waterfall Brick Patio. The garden is located on the Fields Drive side of Central Carolina Hospital.

What a great way to remember a birthday, anniversary, pay tribute to someone and remember someone special. By purchasing an engraved brick you are supporting CCH Auxiliary and its projects.
