CCH AUXILIARY BREAST CANCER COMFORT CARE FUND

Was established in 2011 to assist Breast Cancer Patients in our community with “extra comfort items” not covered by insurance or if the patient is uninsured or financially stressed.

Some examples of comfort items are; head coverings including caps, scarves, hats, and wigs. Also, comfort pillows, special makeup, mastectomy bras and breast prosthesis, compression garments for breast cancer patients with lymphedema (an accumulation of lymph fluid in the layers of skin that cause persistent swelling in the arm and /or breast).

Our Auxiliary is able to do this through special fundraisers and donations received “marked for: Breast Cancer Patients Comfort Care Fund”. 100% of the donations will be used for “comfort care items”.
